

Harlequin Storage Carts

Harlequin Storage Carts are ideal for transporting and storing Harlequin roll-out vinyl flooring and Harlequin Liberty® LatchLoc sprung floor panels.

HARLEQUIN ROLL STORAGE CARTS

Harlequin Roll Storage Carts are recommended for storing or transporting larger, heavier rolls of flooring. Available in two models: a 6 roll cart and a 4 roll cart. Each model is available in 78 1/2" (2m) length to accommodate any Harlequin vinyl roll-out floor.

Constructed from black, scratch-resistant, powder coated steel, the carts are fitted with four heavy-duty, braked swivel casters and non-marking polyamide wheels. The heavy gauge steel poles which support the rolls of flooring have special end fittings to locate them securely on the cart and a center support to prevent bowing of the rolls. Additionally, two handles are supplied with each cart to assist with loading and unloading and, when not in use, these help maneuver the cart itself.

Specification Guide

	2 meter 4 roll storage cart	2 meter 6 roll storage cart
Roll capacity	4	6
Overall length	87.75"	97"
Overall width	34.5"	34.5"
Overall height	40"	42"
Max. roll diameter	11"	11"
Empty weight	402 lbs.	428 lbs.

HARLEQUIN PANEL STORAGE CART

The Harlequin Liberty® A-Frame Panel Storage Cart allows for safe storage and easy handling of Harlequin Liberty LatchLoc sprung floor panels, edge trims and ramps. Carts are fast to load and unload and easy to maneuver with non-marking, polyamide braked wheels. Perfect for moving from place to place, whether from the stage to scenery dock or on and off vehicles while touring.

Constructed from black scratch-resistant, powder-coated steel, the carts are fitted with four heavy-duty swivel casters and forklift pockets for both side and end lifting.

Store up to 20 full size (96"x 48") Harlequin Liberty LatchLoc panels.
