

“To Burklyn, the name **Harlequin Floors** means reliability, durability, and safety that makes dreams come true.”

“Hosting students of all ages and skill levels, it is essential that our studio’s flooring is fit for every performer – from novice to professional. My dancers and I value the reliability, durability and safety Harlequin dance floors provide. This is why every step of my professional career, as both a dancer and now as a mentor and instructor, has been with **Harlequin Floors**. Not only does Harlequin’s flooring withstand use by my dancers day in and day out, but it also effectively endures the extreme changes in Vermont’s weather – from storage in sub-zero winter conditions to usage in summer’s intense humidity. With Harlequin’s high-performance, slip-resistant flooring I know that my students are confident that their performances, just like my flooring, will always be consistent.

Many may think that the name Harlequin is just a doll in the Nutcracker Ballet, but not to us. To Burklyn, the name Harlequin means reliability, durability, and safety that makes dreams come true.”
