

“Harlequin Floors emerged as the clear choice, aligning perfectly with our values and aspirations.”

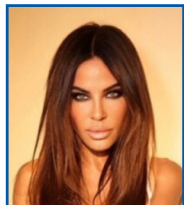

“As a co-owner of Playground Downtown I am thrilled to extend my heartfelt gratitude to **Harlequin Floors** for the transformative impact they have brought to our new dance studio and second PLAYGROUND location. Our commitment to the safety, growth, and well-being of our dancers has always been at the forefront, and the addition of Harlequin sprung floors has been a pivotal step in not only meeting but surpassing these goals.

Being intimately connected to the world of dance as a choreographer, teacher and performer myself, I understand the paramount importance of a top-tier dance floor. When envisioning the future of Playground Downtown, we knew that choosing the right dance floor was non-negotiable. **Harlequin Floors** emerged as the clear choice, aligning perfectly with our values and aspirations. These floors have become the foundation upon which our dancers build their dreams and careers.

The significance of a safe and supportive dance floor cannot be overstated. With **Harlequin Liberty® LatchLoc** sprung floors, our dancers are equipped with the confidence to push their boundaries, knowing that every movement is met with a floor that prioritizes injury prevention and long-term physical well-being. As a co-owner and dance teacher, witnessing the positive impact on our dancers’ technique, comfort, and artistry has been truly inspiring.

I’d also like to commend the exceptional collaboration we’ve experienced with **Harlequin Floors**. From the initial discussions to the installation process, their team demonstrated a genuine understanding of our studio’s unique needs. As co-owner, this level of partnership is invaluable, ensuring that our vision comes to life seamlessly.”
