Harlequin Fiesta™

Harlequin Fiesta was created to replicate the look of wood without the cleaning and maintenance issues. Its oak-strip performance surface offers the perfect solution.

Utilization: Harlequin Fiesta suits ballroom, salsa, Irish and tap dance, multipurpose spaces, hip-hop, jazz, street, aerobics, Zumba, theaters, and operatic performances. It's a convenient choice for social floors that endure ballroom and tap shoes.

Installation: Harlequin Fiesta can be made for permanent installation with welded joints or portable loose-lay. It is suitable for smooth, hard sub-floors, and an excellent vinyl performance surface for Harlequin sprung floors.
