

Black
MAR501

Homogeneous PVC
with a fire resistant
performance surface

Harlequin Marine™

Harlequin Marine meets rigorous marine standards and fire ratings, making it a popular choice for cruise liners. It's designed for permanent installation and fits well in tight spaces on marine vessels and in scenery docks on cruise ships.

Utilization: Harlequin Marine is suitable for Irish and tap, concerts, TV, theater, and opera performances.

Installation: As a hard-wearing and durable PVC dance floor, Harlequin Marine is fire-resistant and features a marbled surface to resist scuffs and marks. It's suitable for placement on a smooth, hard sub-floor and pairs excellently with a Harlequin sprung floor as the vinyl performance surface.

Specification guide

Permanent or Portable	Permanent
Roll width	78.7" (2m)
Roll length	657" (20m)
Colors	Black
Thickness	0.080" (2mm)
Weight	6.2 lbs/yd ² (3.35 kg/m ²)
