

Harlequin Standfast™

Harlequin Standfast is a hard-wearing, durable performance floor that's intended for permanent installation into adhesive when the joints are heat welded to form a continuous performance surface.

Utilization: Harlequin Standfast suits ballet, contemporary, modern, Irish and tap dance, multipurpose settings, hip-hop, jazz, street dance, aerobics, Zumba, television, theater, and opera performances.

Installation: With a slip-resistant surface, Harlequin Standfast is an ideal permanent multi-purpose dance and stage floor for heavy-duty use. It can be placed on any smooth, hard sub-floor and is an excellent vinyl performance surface to pair with a Harlequin sprung floor.
